

## Categorizing Objects in Our Solar System Card Sort

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Period: \_\_\_\_\_ Page: \_\_\_\_\_

Objective: \_\_\_\_\_

Directions:

1. As groups, look at the pictures and posted information on the Solar System Cards.
2. Create a least five different groupings with the cards.
3. Create a name for the group.
4. Write down the criteria or the group definition by using what the space object cards have in common with one another.
5. Write down all the names of the Solar System Object cards in each of the groups.
