

Chromebook Use Contract

As a responsible student using technology, I understand the following is expected of me when using my assigned Chromebook during the school year.

1. I will take care of my Chromebook.
2. I will know where my Chromebook is at all times.
3. Only I am permitted to use my Chromebook, unless my teacher assigns it to someone in my absence.
4. I will always carry my Chromebook closed and with two hands and not pick it up by the screen .
5. I will always use my Chromebook in a safe, flat place: desk, counter, floor.
6. I will keep food and beverages away from my Chromebook, as they can cause damage to the device.
7. I will use my Chromebook in ways that are educationally appropriate and meet school usage requirements
8. I will use my Chromebook to complete assignments as expected. This means I will not use websites, games, and Google programs not approved by my teacher.
9. I will practice digital responsibility on the internet.
10. I will not place any decorations or change the background on my Chromebook.
11. I will not place pens or pencils on the keyboard, as that can crack the screen.
12. I will report any damage to my Chromebook to my teacher immediately
13. I will plug my chromebook in if I am the last to use it at the end of the day.

If I fail to follow the Chromebook rules stated above, I will receive any of the following consequences:

1. I may lose the privilege to use a Chromebook to complete schoolwork until I have proven I can be responsible.
2. I may be moved to a stationary computer.
3. I may be required to complete the assignment using paper and pen.
4. Any misuse of the chromebook may result in a behavior check
5. Any misuse of the chromebook may result in a referral to administration based upon the severity of the action.

understand that using a Chromebook is a privilege and not my right. I will follow the rules and will receive any of the above consequences if I choose not to be a responsible Chromebook user.
