

## World Map Challenge

Directions: Using your cell phones, try to name the described cities, research the latitude and longitude of the cities, and plot the cities' locations on the world map using latitude and longitude.

1. I am a city on one of the largest island nations in the world. I played host to the 2000 Olympics, and I am famous for my opera house. What city am I?
2. I am the capital of a major world power that is in the news a lot lately. The nation I am the capital of hosted the 2014 Winter Olympics.
3. I'm a popular tourist destination in South America. I hosted the 2014 World Cup, and I'm known for my lavish celebrations.
4. I'm one of the largest cities in the world. I'm located in a country that borders the United States, and I was built upon the former Aztec capital.
5. I'm a famous city known for the Big Ben and Buckingham Palace. I played host to the 2012 Olympics.
6. I am the capital city of an island nation in the Caribbean Sea. Fidel Castro ruled me for many years.
7. I'm a city located on both Asia and Europe. My former name was Constantinople, which was named after the Roman emperor Constantine.
8. I am the largest city in the world. I'm on an island nation that gets rocked by numerous earthquakes. I'm filled with pictures of Hello Kitty, and I am one the biggest technology centers in the world.
9. I'm the largest city in the United States. I have a famous plaza named Time Square, the Empire State Building, and I'm famous for my pizzas.
10. I'm the capital of the largest (population) country in the world. I'm famous for Mao Zedong and the Forbidden City. I also played host to the 2008 Olympics.
